Terms & Conditions

- This rebate is available only to active customers of the following electric utilities: Barton Village, Village of Enosburg Falls, Hardwick Electric Department, Village of Johnson, Village of Jacksonville, Ludlow Electric Light Department, Lyndonville Electric Department, Morrisville Water & Light Department, Northfield Electric Department, Village of Orleans, or Swanton Village.
- \$1,000 rebate is available for new all-electric electric vehicles.
- \$500 rebate is available for new plug-in hybrid electric vehicles.
- \$500 rebate is available for used all-electric vehicles.
- \$250 rebate is available for used plug-in hybrid electric vehicles.
- An additional \$400 rebate is available to income-qualifying customers purchasing or leasing a new all-electric vehicle or a new plug-in hybrid.
- Vehicle must be registered in Vermont.
- Dealership discount is currently available at participating dealerships. Visit www.vppsa.com for full list.
- Customers selecting the Dealership Discount option acknowledge that dealership has already applied the rebate to the purchase price of the vehicle. The dealership is responsible for submitting this form and supporting documentation and will receive the rebate amount in full.
- Used vehicles may not be eligible for a VPPSA incentive if a VPPSA incentive has previously been claimed for that vehicle.
- Customer eligibility for customer use vehicles only; not available for vehicles intended for resale.
- This rebate may be considered taxable income by the federal or state government. Consult a tax professional for advice and to determine the tax consequences of this rebate.
- For rebates of \$600 or more, a W-9 form is required prior to issuing rebate check. Rebates will be issued upon receipt and review of completed applications.
- VPPSA will not be responsible for any tax liability that may be imposed on the customer as a result of payment of rebates.
- VPPSA reserves the right to conduct field inspections to verify installations.
- VPPSA does not endorse any particular manufacturer, product, system design, or technology in promoting these rebates.
- VPPSA's liability is limited to paying the rebate specified. VPPSA is not liable for any consequential or incidental damages or any damages in tort contract, strict liability or other theory of liability connected to or resulting from participation in these rebates.
- VPPSA does not warrant the performance of installed or serviced equipment, expressly or implicitly. VPPSA makes no warranties or representations of any kind, whether statutory, express or implied, including, without limitation, warranties of merchantability or fitness for a particular purpose regarding the equipment or services provided by a manufacturer or vendor. Contact your contractor or vendor for details regarding equipment performance and warranties.
- Other than the energy savings realized by the customer, customer agrees that VPPSA and/or its members has the unilateral right to apply for any credits or payments resulting from the program or equipment including, but not limited to, ISO-NE capacity payments, other electric capacity and avoided cost payments or credits, environmental credits or payments from demand-response programs.
- VPPSA reserves the right to modify or end this offer at any time.
- Offer valid for vehicles with purchase or lease start date from January 1, 2022 through December 31, 2022.
- **By signing this form, you are authorizing your utility to confirm your information with VPPSA.**
