Electric Department – Crew Leader

The Village of Enosburg Falls is looking to hire for the position of Crew Leader. The Crew Leader will be responsible for the daily operation and performance of work assignments to ensure proper management of the Village of Enosburg Falls Electric Department. This person will lead and coordinate all electric department employees and subcontractors. The Crew Leader reports directly to the Village Manager and regularly works independently. This is a union position. 40 hours a week (Monday – Friday – 7:00am to 3:30pm), plus some overtime, and on-call time. Excellent benefits package.
