VPPSA staff is hosting a weekly COVID-19 briefing for member utility staff every Wednesday at 9:30am until further notice. The briefings are intended to provide the latest available information on COVID-19 status and allow sharing of best practices.

While the briefings are for front line staff members dealing directly with community members, this notice is provided because it is possible that a quorum of VPPSA Board members may attend individual briefings. No action will be taken by the board during these sessions.

If board action is required as a result of any discussion it will be taken in a future board meeting Warned as required under VPPSA's Bylaws.
