# Cold Climate Heat Pump Rebate

Receive \$400 for the purchase of a cold climate heat pump.

If your building has been weatherized, you may be eligible for an additional incentive. See back for details.

**To claim your rebate:**

1. Complete this form.
2. Provide a copy of your proof of purchase. If the model number is displayed on your proof of purchase, skip to step 4.
3. If the model number is NOT shown on your proof of purchase, provide a picture of the model number on the cold climate heat pump unit.
4. If you have completed a weatherization project listed on the back of this form, provide proof of project completion.
5. Send your completed rebate form, proof of purchase, picture of model number (if applicable), and proof of weatherization (if applicable) to VPPSA. Please allow 6-10 weeks for processing.

## Weatherization

Customers of Barton Village, the Village of Johnson, and the Village of Orleans are part of the Targeted Communities program and are eligible for an additional \$400 for installing a heat pump in a weatherized building, bringing the rebate total to \$800. All other electric utility customers are eligible for \$100 for installing a heat pump in a weatherized building, bringing the rebate total to \$500.

To qualify for the additional weatherization incentive, please provide documentation that you have completed one of the following projects:

- Home Performance with Energy Star
- Weatherization through the Weatherization Assistance Program (WAP) since 2005 or are currently enrolled in WAP
- 2011 or newer Residential Building Energy Standards (2011 RBES) certificate
- Blower door test with maximum Air Changes per Hour (ACH) less than 5 at 50 Pascals

## Why weatherize?

- Keep out drafts, moisture and pollutants in your home.
- Reduce heating costs by up to 20% and enjoy a more comfortable living space.
- Get **up to 50% off your project** from Efficiency Vermont, up to \$4,000
- Controlled air leakage and updated ventilation improves indoor air quality and can help ease asthma and allergy symptoms.
- Energy-efficient upgrades can increase the value of your home.

## Financing available for weatherization

Efficiency Vermont's Home Energy Loan is a fast, easy, and flexible way to help you pay for heatpumps and weatherization projects. Interest rates start at 0% and breaks your project costs down into affordable monthly payments.

Neighborworks HEAT Squad also offers a simple and affordable energy loan with interest rates starting at 4.99%

To learn more about starting a weatherization project call **Efficiency Vermont at 888-921-5990** or visit [www.encyvermont.com](http://www.encyvermont.com).

### Terms & Conditions

- This rebate is available only to customers of the following utilities: Barton Village, Village of Enosburg Falls, Hardwick Electric Department, Village of Johnson, Village of Jacksonville, Ludlow Electric Light Department, Lyndonville Electric Department, Morrisville Water & Light Department, Northfield Electric Department, Village of Orleans, or Swanton Village.
- One rebate (and weatherization adder if applicable) per each qualifying exterior condenser unit.
- The cold climate heat pump must qualify for Efficiency Vermont's rebate. To see if yours qualifies, call Efficiency Vermont at 1 (888) 921-5990 or visit [www.EfficiencyVermont.com/rebates/list/heat-pump-heating-cooling-system](http://www.EfficiencyVermont.com/rebates/list/heat-pump-heating-cooling-system)
- VPPSA reserves the right to conduct field inspections to verify installations.
- VPPSA will not be responsible for any tax liability that may be imposed on the customer as a result of payment of rebates.
- VPPSA does not endorse any particular manufacturer, product, system design, or technology in promoting these rebates.
- VPPSA's liability is limited to paying the rebate specified. VPPSA is not liable for any consequential or incidental damages or any damages in tort connected to or resulting from participation in these rebates.
- VPPSA does not warrant the performance of installed or serviced equipment, expressly or implicitly. VPPSA makes no warranties or representations of any kind, whether statutory, express or implied, including, without limitation, warranties of merchantability or fitness for a particular purpose regarding the equipment or services provided by a manufacturer or vendor. Contact your contractor or vendor for details regarding equipment performance and warranties.
- Other than the energy savings realized by the customer, customer agrees that VPPSA and/or its members has the unilateral right to apply for any credits or payments resulting from the program or equipment including, but not limited to, ISO-NE capacity payments, other electric capacity and avoided cost payments or credits, environmental credits or payments from demand-response programs.
- Customers eligible for total rebate incentives of \$600 or greater may need to complete a W-9 form and submit it to VPPSA. VPPSA will not send the rebate check until the completed W-9 form is received.
- VPPSA reserves the right to modify or end this offer at any time.
- Offer valid for cold climate heat pumps purchased January 1, 2020 through December 31, 2020.
- **By signing this form, you are authorizing your utility to confirm your information with VPPSA.**
