Heat Pump + Weatherization Rebate

Receive \$200 for installing heat pump technology in a building that has completed an eligible weatherization project.

To claim your rebate:

1. Complete this form. Please complete a separate form for each qualifying heat pump unit.
2. Provide a copy of your heat pump proof of purchase. This is typically an invoice from a contractor.
3. If the model number is NOT shown on your proof of purchase, provide a picture of the model number on the cold climate heat pump unit.
4. Provide a copy of proof that an eligible weatherization project has been completed at the installation address.
5. Send your completed rebate form, proof of purchase, picture of heat pump model number (if applicable), and proof of eligible weatherization project completion to VPPSA. Please allow 6-10 weeks for processing.
